How trivial existence sometimes seems . . .

Here we sit on a speck of terrestrial dust
In the midst of an infinite universe
Which is

revolving,

revolving . . .

Unaware of our even being.

In a land of millions

who know our number — But not our name.

And yet we are
we exist

It took a structure of glass and brick
music and words

To draw us into our beings,
Point out our potential
And develop us into thinking,
existing,
contributing creatures.

It took a structure of model
complexity
To make us realize our own
And the intricacies of others.
Now that we are whole,
Perhaps we can be a part.

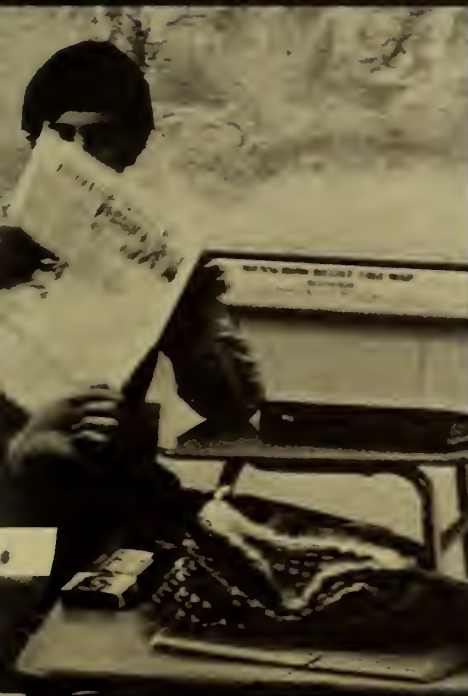

... And when at some point of future
We sit with ourselves
 revolving,
 revolving ...

We will remember,
Remember the faces and intellects
Who have made us more than a number,
More than a mere breathing being,
Recall the persons who have made us ourselves.

"Crossroads"

I've got nothing on my mind
Nothing to remember; Nothing to forget
And I've got nothing to regret.
But I'm all tied up on the inside
No one knows quite what I've got
And I know that on the inside; what I used to be I'm not
Anymore.

You know I've heard about people like me
But I never made the connection.
They walk one road to set them free
Then find they've gone the wrong direction.
But there's no need for turning back
All roads lead to where I stand.
And I believe I'll walk them all,
No matter what I may have planned.

Can you remember who I was?
Can you still feel it?
Can you find my pain?
Can you heal it?
Then lay your hands upon me now
Cast this darkness from my soul;
You alone can light my way
You alone can make me whole
Once again.

We've walked both sides of every street
Through all kinds of windy weather
But that was never our defeat
As long as we could walk together.
So there's no need for turning back;
Cuz all roads lead to where we stand.
And I believe we'll walk them all,
No matter what we may have planned.

— Don McLean

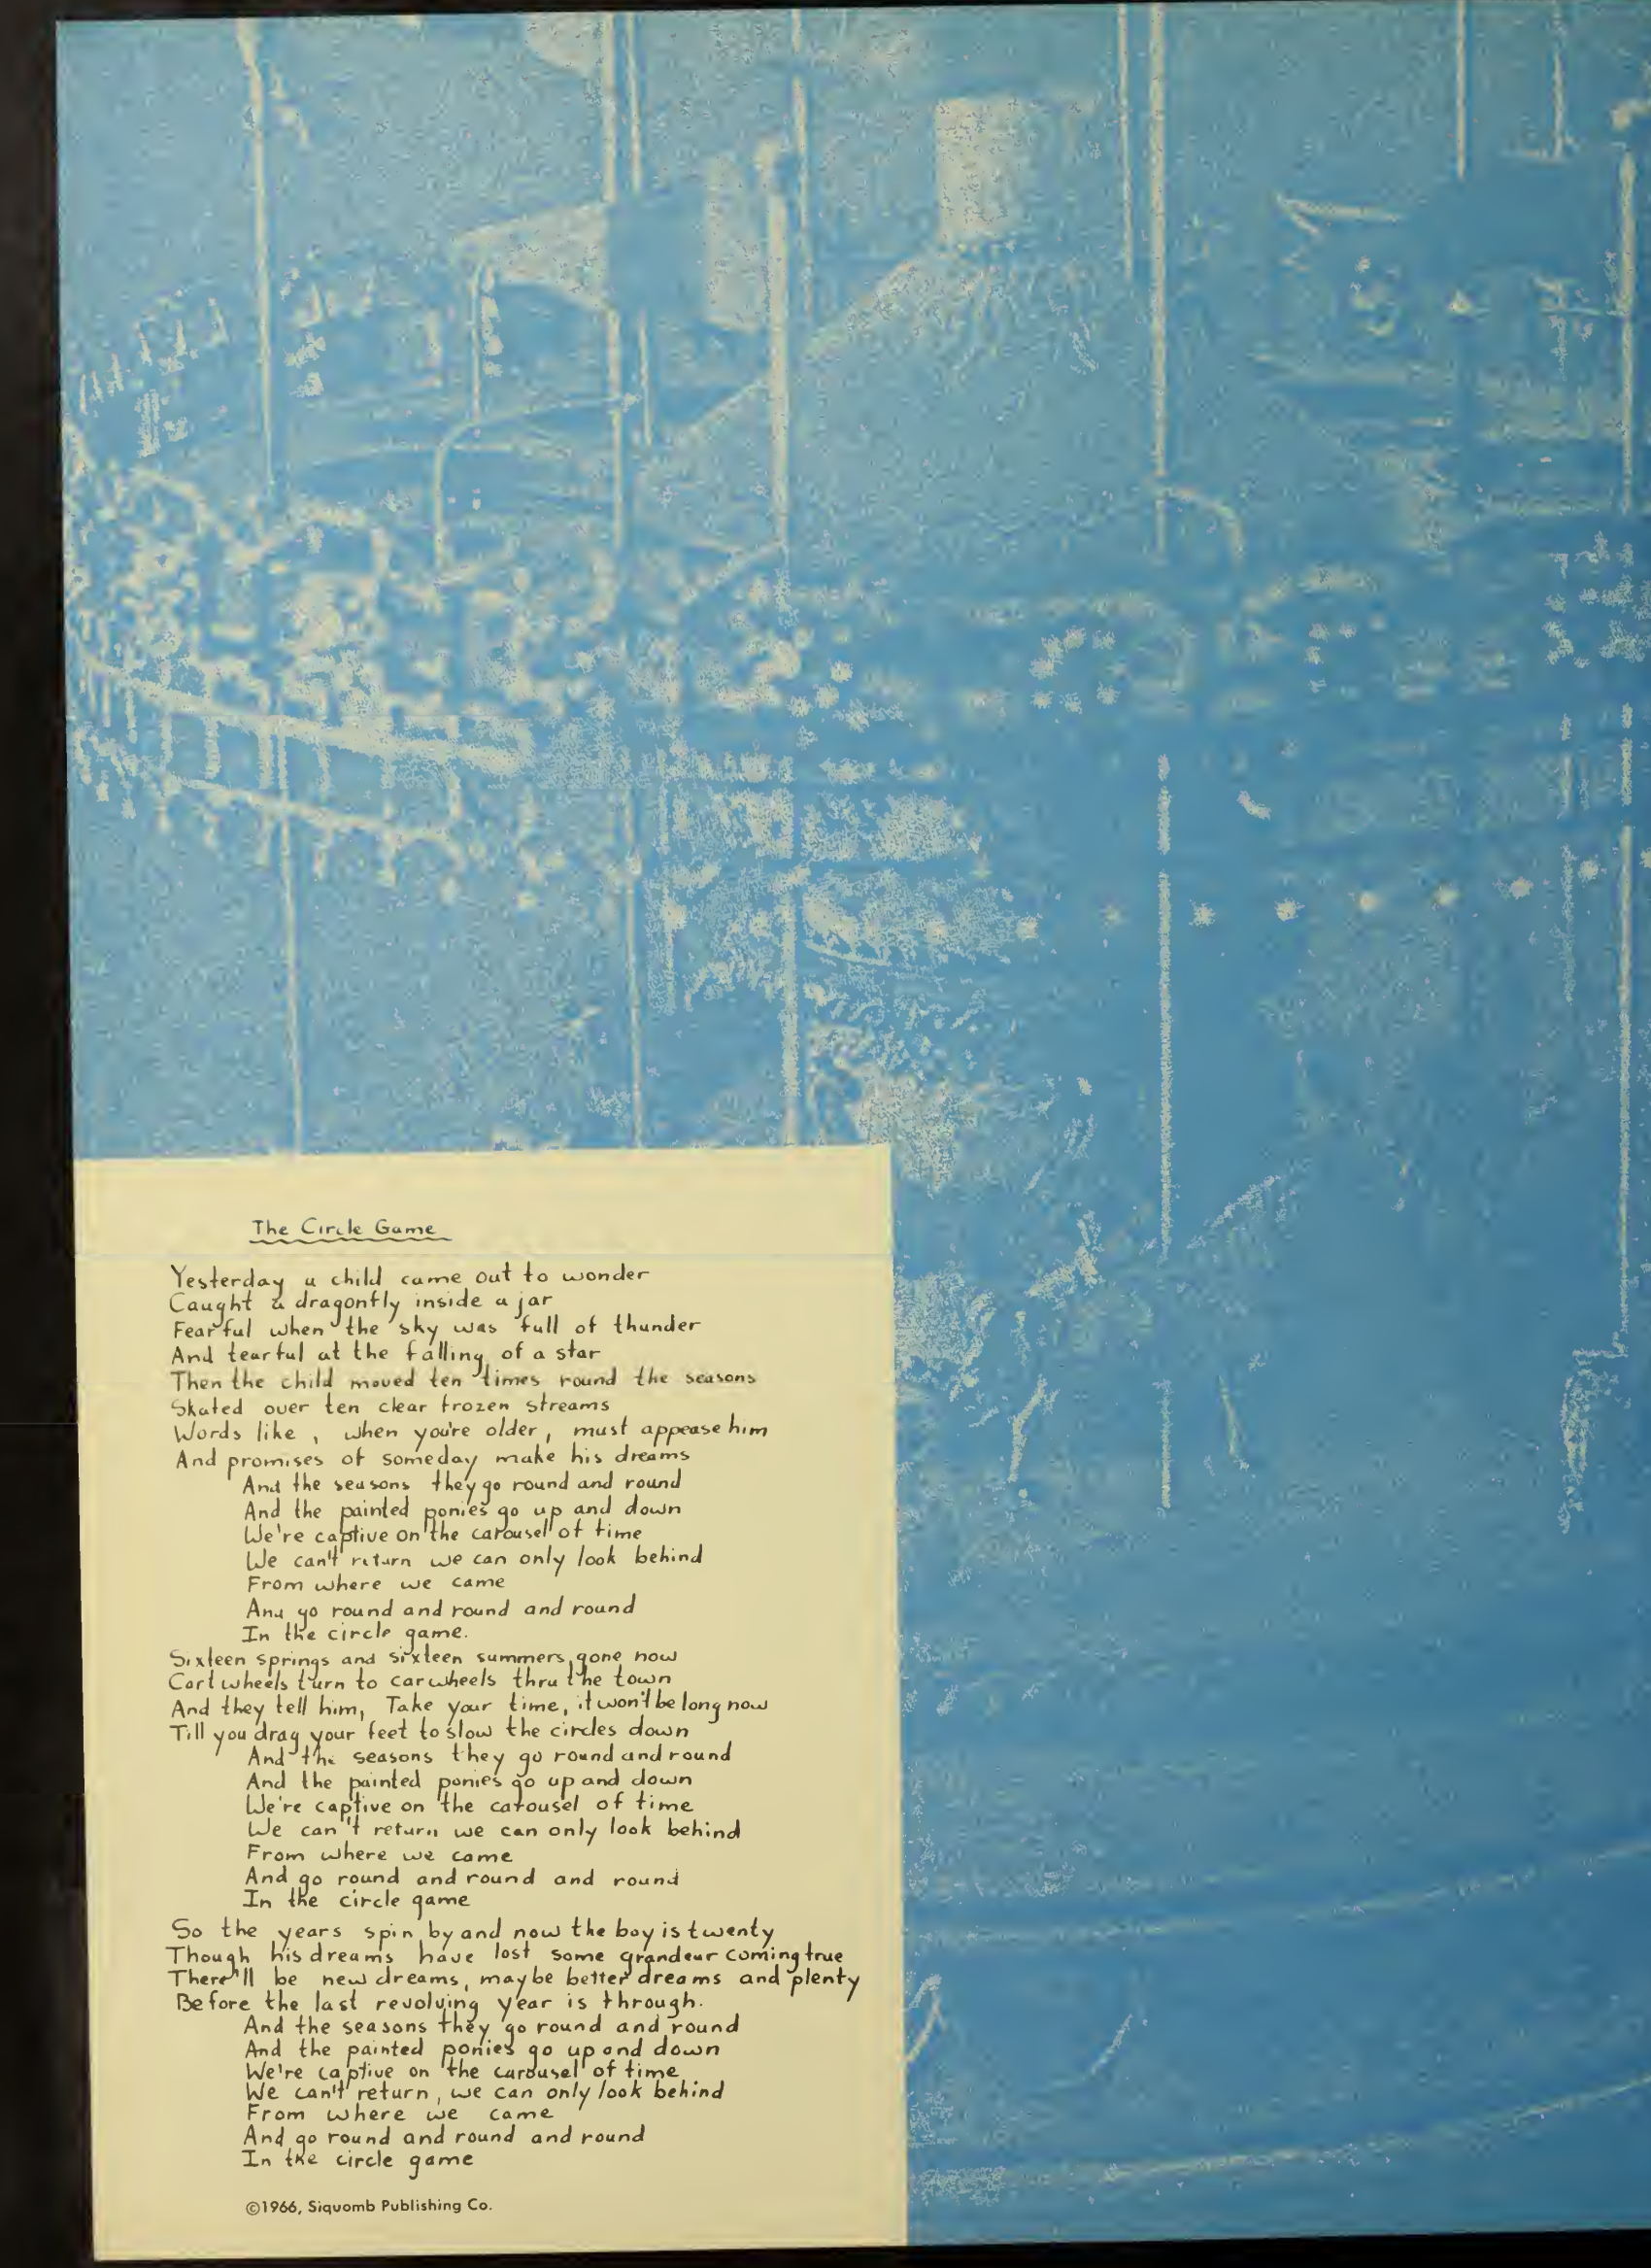

In today's complex world it is essential for man to be an intelligent involved person, actively interested in his surroundings. By taking the clay of himself and molding it, he must build the monument of his being. Just as each artist's style is unique, so to is every man's final structure.

Some men finish their creation early in life, only to forget it and allow it to decay. Others build upon it every minute of their lives. It is the man who can adapt and continue to build who has truly lived.

Memini '75 is dedicated to two such men. To commend only their flexibility and superb work with the Student Council would be to understate their true beings. These things, though important, do not depict the entire structure. Their greatest contributions have been their awareness and Total Involvement.

For these reasons
we dedicate Memini '75 to

Mr. Raymond C. Boulais
and
Mr. David J. Kowalczyk

The Circle Game

Yesterday a child came out to wonder
Caught a dragonfly inside a jar
Fearful when the sky was full of thunder
And tearful at the falling of a star
Then the child moved ten times round the seasons
Skated over ten clear frozen streams
Words like, when you're older, must appease him
And promises of someday make his dreams
And the seasons they go round and round
And the painted ponies go up and down
We're captive on the carousel of time
We can't return we can only look behind
From where we came
And go round and round and round
In the circle game.

Sixteen springs and sixteen summers gone now
Cartwheels turn to carwheels thru the town
And they tell him, Take your time, it won't belong now
Till you drag your feet to slow the circles down
And the seasons they go round and round
And the painted ponies go up and down
We're captive on the carousel of time
We can't return we can only look behind
From where we came
And go round and round and round
In the circle game

So the years spin by and now the boy is twenty
Though his dreams have lost some grandeur coming true
There'll be new dreams, maybe better dreams and plenty
Before the last revolving year is through.
And the seasons they go round and round
And the painted ponies go up and down
We're captive on the carousel of time
We can't return, we can only look behind
From where we came
And go round and round and round
In the circle game

Seniors may now proceed to the gymnasium . . .

Juniors please pass to the gymnasium . . .

Sophomores report to the gymnasium . . .

These are familiar sounds that are heard on Friday mornings during football season. But for the class of '75 this would be the last football rally they would have together. But yet there was no sadness only an over abundance of spirit. An outsider would have thought pandemonium had just broken loose.

The rally began with speeches by members of the delegations of both schools. Shortly afterward Chicopee and Chicopee Comp Cheerleaders, as is tradition exchanged mums and cheers. The tension was mounting, the stands became more and more excited until finally the galant Blue and Gold Colt came out to the center of the gym to face his across the river foe: the spider. In this symbolic skit, set to the music of the school song the Comp Colts were victorious. And the fans were all hoping that the outcome would be the same on the next afternoon.

On the lighter side of the sauce . . .

"Those of us who worked so diligently on this years spaghetti dinner, were pleased. We were pleased on that evening of November 16th, 1974, to find out that the spaghetti didn't noodle, the meatballs didn't meet, the salad was dressed, the bread didn't roll, the desert didn't desert us, and the tomato paste didn't get sauced. In addition each and everyone of us learned how to spell spaghetti. Chalk up another major accomplishment for the class of '75". As one intelligent senior put it, "chef-boy-arr-dee is a meatball."

Receiving awards at the trophy presentation were Seniors Jerry Roy and Gary Masse, who received most valuable Defensive and most valuable Offensive awards respectively, while Garth Desmairas was presented with the most valuable Senior award.

Off the field and back in the kitchen, Comp's finest was displayed by the outstanding efforts of Senior Spaghetti Dinner Co-Chairwomen Mary Ann Rowley and Pam Daigle. Senior class advisors Roger Bowden and Neil Martell, along with Mrs. Rose Blanchard and her assistant Stella, helped the many who participated behind the scene, making the spaghetti dinner into a tremendous success.

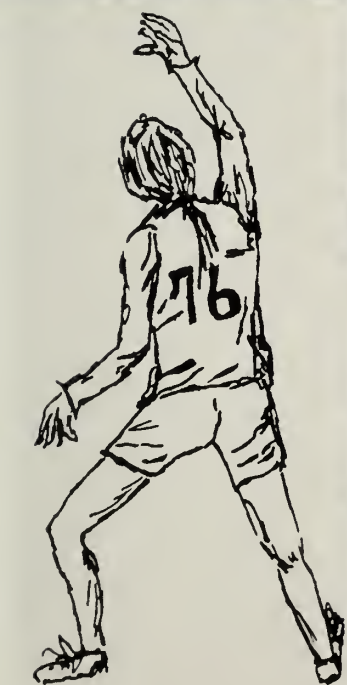

1. Senior Powerhouses Linda Bernard, Kathy Houle, and Chris Furnelli watch as the defense take action.
2. Injured Junior, Donna Renfro is carried from the field.
3. Worried Juniors look on as Seniors score.

JUNIORS. FRONT ROW: Lynn Pare, Jeannine Stone, Kathy Plasse, Elsie Whalley, Patty Keene, Hedi Durant, Cindy Janik, Darlene Drennen, Jeannie Gaudrault, Sarah Kelly, Teresa Grey, Jean Rivet, Carol Boissonnault, Sue Cote. **SECOND ROW:** Denise Masse, Donna Chapdelaine, Ruth Rowkowski, Darlene Piquette, Diane Pare, Barbra Giroux, Laura Langlois, Patty Perry, Linda Breault, Karen Rocharme, Cindy Streit, Diane Davioux. **THIRD ROW:** Conny Rainey, Chris Wojnarowski, Jeannie Menard, Debbie Tamburro, Jackie Ball, Jean Luppold, Noreen Bourassa, Dolores Betourney, Sharon Ryan, Paulette Zampron, Sandy Joyal, Mary Marotte, Coach Roland Goulet. **FOURTH ROW:** Coach Raymond Chelte, Sue Parmentier, Carol Perrier, Sue Krupa, Holly Schenk, Donna Renfro, Kathy Desmarais, Linda Garcia, Peggy Winters, Gail Provost, Paulene Lizot.

Missing Coach Mitchell Kuzdzal and Coach David Kowalczyk.

Any visitor listening to the gruff voices bellowing from Comp's practice fields would assume them to be exclamations from C.C.H.S.'s football heroes. Their assumption would be wrong. For as soon as October comes, Junior and Senior Powder Puffers hit the turf.

Jumping jacks, tackles, huddles, black and blue marks, and sore muscles are all part of the four week grind prior to the big showdown held on November 15th, when the two anxious foes finally met. At last meeting face to face the two teams clashed. One to avenge the defeat of the year before; the other to prove the force of the Class of '76. In a decisive victory Seniors won 30-6.

Brenda Price scored first for a quick Senior lead and the powerful offense converged gaining the extra points which raised the score to 8-0. Mary Czajkowski, the Senior quarterback, ran for thirty yards and scored, tightening her team's lead to 14-0.

In the third quarter Kathy Houle blasted towards the goal line and Czajkowski gained the extra points for the Senior team setting the margin at 22-0.

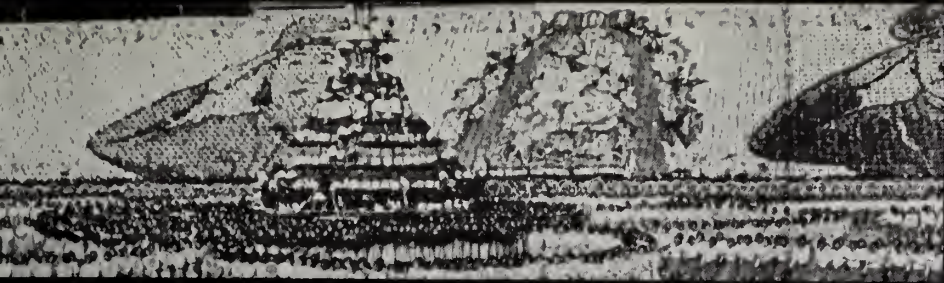

Although the 1975 offense was potent in their attack, their defense held the Juniors to only one touchdown. The lone score of the younger team came on a one yard run from Sarah Kelly.

"WALKING IN A WINTER WONDERLAND"

On the night of December 27, 1974 Chicopee Comprehensive started a new tradition. The winter Cotillion became a dinner dance and was held at the K of C in Chicopee. Three-hundred people were at this gala affair which featured music by the Regal Tones. This was the largest crowd ever recorded for a Comprehensive Cotillion. The chairmen of the event were Cathy Forget and Diane Pare.

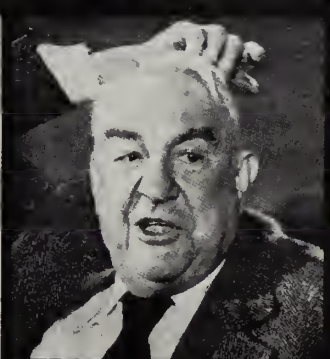

Four years have passed. A crowded collage of events, faces, words lie embedded in our minds. The time has passed quickly since first we passed through the corridors of Chicopee Comprehensive High School.

Nervous and unsure we walked unaware of what the years would hold for us. We would witness the end of the Viet Nam War, the resignation of a President, the rise of inflation, and the hope of world peace stretching further and further out of our reach. It is our turn now to change the world, but in doing so we must first remember yesterday.

Memories . . . Memories . . . Memories . . .

F R E S H M A N Y E A R

Was it only yesterday that we as freshmen awaited the beginning of what is described as "the best years of our lives." Not only was our first year an exciting one but also experimental, for we were the first to bear the name "annex people." As our time of promotion grew near, we may have felt a pang of regret in leaving the annex, for we would miss the musty classrooms, noisy heaters, showerless gym, and wooden floors which highlighted the year spent there.

We began such "Happy days" at Kirby while Attica State Prison was in the midst of a riot that left 42 dead prisoners. This incident, the first and most impressionable, marred the reform system.

While the justice system had fits of sleepless nights, so did the American people when President Nixon announced that the U.S. would devalue the dollar causing a rise in prices.

Along with inflation the American public had to cope with Hurricane Agnes who dumped more problems on residents from Florida to New York. 134 persons were killed, 10,000 were left homeless, and property damage loss was \$3,000,000.

The only constructive proposition to be made was when the U.N. General Assembly voted 76 to 35 to admit Communist China. Relations with China definitely bettered, especially since President and Mrs. Nixon's publicized eight day trip to the mideast dominated the news. Over duck, champagne, and caviar, the problems that confronted both countries were discussed. "The gates to friendly contact have finally been barred."

Fighting continued in the war between India and Pakistan, although the U.N. General Assembly called an immediate cease fire; India refused to obey and finally Pakistanian forces were forced to surrender, ending the 13 day affair.

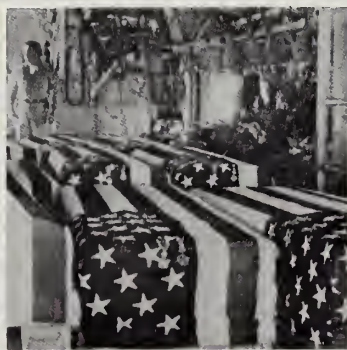

Entertainment became a priority with people who worked hard all day and needed something to relax them. Archie Bunker attacked ethnic groups, as Americans all over rolled in fits of laughter once a week. His prejudices ignorant and comical, seemed to reflect portions of modern man, though no one would willingly admit it. Arriving at theatres across the nation was the motion picture "The Godfather," starring Marlon Brando. Depicting the involvement of Italians in organized crime, the movie grossed \$81,500,000.

The film making industry was netting unbelievable profits but the ski manufacturers and resort areas were getting "rained out." 1972 rolled around in everything but snow as weathermen predicted an early spring.

Politics might have been a good subtitle for the year '71-'72 and, as we learned later, dominated our four years in high school. Attorney General John Mitchell retired from his cabinet post to head the re-election campaign of President Nixon. This seemed to cause some rough spots with his wife, outspoken Martha, as she threatened to leave her hubby.

News columnist Jack Anderson caused a few eyebrows to rise in question as he made known the I.T.T. memorandum that linked the settlement of a government anti-trust action against the company of I.T.T.

Involved in another attempt at assassination, Governor George Wallace was shot by Arthur Bremer in the nations capitol but his impairment did not hinder the Governor's work.

1971 - 1972

"Anti-everything" could be a summary of attitudes that the American people had taken on as bussing moved in as one of the controversial subjects fo face the nation. Despite majority opposition, the U.S. Supreme Court upheld the use of bussing. Chicopee was no exception when it came to anti-anything protests. A sit-down in protest to the bombing in Vietnam was staged at WAFB and ended with many arrests.

The school year contained many interesting beginnings that have added to our growth as students, young adults and citizens. As Frosh we were somewhat isolated in the "Butch Crew Cut vs Freak" incident that stirred up emotions at the main building. Ruffled feathers unfluffed bitter opposition. The argument began when a student wrote a letter to the editor of the "Comp. Chronicle" suggesting the "freaks" in the school be allowed to have their own page in the paper. In the next issue, "Butch Crew Cut" counterattacked. Nothing was resolved but the battle broke up the monotony of study halls for us Frosh.

S O P H O M O R E Y E A R

As we entered our Sophomore year our first days at the main building were shadowed by news of the Terrorist attack at the 1972 Munich Olympics. Eleven Israelis were held hostage and seventeen persons died as a result of the assault. Prior to this event, American swimmer Mark Spitz emerged as a wet sex symbol, winning seven gold Olympic medals and setting seven world records in swimming. U.S.A.'s Cathy Rigby, and U.S.S.R's Olga Korbut starred in women's gymnastics.

One of the most striking developments in '72 was the continued emergence of black moviemakers. "Shaft," "Come Back Charleston Blue," and the most popular "Superfly" packed audiences in theatres around the nation.

Entertainment-wise, the U.S. had progressed, but as one reviews the political scene, corruption seemed to be predominate. There was swindling "behind the ballot," fighting in Asia and Northern Ireland, and bombing in Viet Nam. Was this a sign of progression? While Senator George McGovern, Democratic nominee for President, campaigned across the nation, supporting U.S. withdrawal from Viet Nam President Richard Nixon through Henry Kissinger signed a truce in Indo-China, but it was nearly three months before the treaty took effect.

A week before the end of the Vietnamese war, the U.S. lost their 37th President — Lyndon B. Johnson. Many felt his death was hastened by this unpopular war.

The first group of prisoners of war was released by the North Vietnamese in February, an event which sparked the interest of Americans throughout the world. Many more were later released, uniting men with their families all over the country.

To many people's dismay, *Life* announced it would cease publication after 36 years of service. Fashion, politics, people, Hollywood, culture, and sports headed the contents in this nationally famous magazing.

In his bid for his second term as President, Richard Nixon was reelected in a landslide victory over George McGovern. Massachusetts, the only state which remained Democratic in this campaign, could only shrug with a smile and say "Don't Blame Me, I'm from Mass."

As inflation worsened the cost of meat skyrocketed fast. Although a control of the price was planned, stores still had to contend with angry housewives who boycotted the sale of meat.

Even television was a new phase. The true-to-life figures of Archie Bunker in "All in the Family" and the amusing characters in "Sanford and Son" caught the laughter of many. On the softer side, John Boy and his family in "The Waltons" presented a more idealistic side of the rotting structure called "the family."

Staging this year as the year of involvement, the idea of being an organized class molded us into the realization that this was only the beginning of our future.

We proved our involvement as our class kicked off its candy sale and netted \$3,000. Chocolate bars seemed to be floating all around the building, especially at lunch. It almost seemed that this money raiser became a way of life after a while!

The fight to change the Chicopee-Comp. football game to a Thanksgiving Day Match, something to which Alumnae could look forward to, proved fruitless once again.

As students were ushered to first period class, one could have only predicted this to be a day of ordinary activities until all classes were interrupted by an invasion of Freshmen from the Annex, in protest to the Teachers' Slowdown. In an effort to obtain a new contract Teach-

ers refused to do anything which was not covered by their present contracts including extra-curricular activities. A few hundred students felt that their rights as students had been infringed upon and took it upon themselves to try to resolve the situation by congregating in front of the building in protest.

Although it had no real effect on the outcome of the slowdown, the incident did make local news.

And so . . . as the Class of '73 was herded into the ranks of the alumnae, a half-hearted realization of being "almost there" hit us. To a large portion of the student body it meant moving to the other side of the gym at rallies, but for those sentimentalist, the "best years of our life" were almost coming to a close, quickly and abruptly. As the door shut behind our Sophomore year we would hold it high in our memories, knowing that with Junior and Senior years ahead, maybe the best had yet to come.

1972- 1973

J U N I O R Y E A R

We established a little more finesse as Juniors. Our confidence as individuals grew while we seemed to be in another era of adolescence, unlike that of a Freshmen or Sophomore. By the end of the year, most Juniors were on the threshold of getting driver's permits and eventually, licenses. This status symbol, definitely an asset, proved its fruitful benefits on weekends, that is, until the Arab nations imposed an oil embargo against the United States and prices for gasoline jumped from about 28 ¢/gallon to 57 ¢/gallon. Long lines formed in front of gas stations, that were only open a certain day or days, and more than once, these lines blocked the way of ambulances, in which persons died because of panicky people who were afraid there'd be no gas.

Even Christmas, which brings out the best in everyone, proved to be dimmed by the energy crisis. Lighted trees were only seen at night while outdoor decorations didn't even exist. It was one holiday season that people would not forget.

Eventually, things did worsen. Between the lowering of thermostats and cutting down of speed limits on highways, the history of Watergate gradually strangled Nixon's neck. Resignation rumors flew around Capitol Hill but were crushed by Nixon himself stating and insisting he would not resign, that he was elected to do the job and the job he would do!

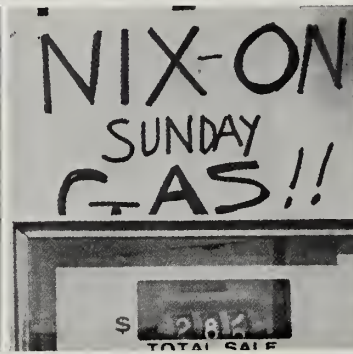

The United States seemed to be in a demoralizing state of affairs as a special three judge panel recommended that Vice-President Agnew be disbarred from office for tax evasion. This resignation was the first in the history of the country. Gerald Ford, minority leader for the House of Representatives, became the 40th Vice-President.

Aside from the fact that America was splitting at the seams with Nixon, the energy crisis, and the Middle East, the cultural arts of America still remained successful and still brought a smile of appreciation from people.

The Metropolitan Opera, according to "Newsweek," is "an unprecedented orgy of cultural activity." Museums still headed the list of educational places where school children are taken on for field trips. The movie business seemed to have it made. Pictures became more relevant due to the controversial subjects depicted, as compared to movies years ago. "The Exorcist" became one of the most talked about films and gave to viewers of all ages the satisfaction of seeing the devil in action. Robert Redford became one of the male sex symbols of America. Redford-Barbra Streisand in "The Way We Were" struck a note of romance and nostalgia while Redford-Mia Farrow in "The Great Gatsby" disappointed movie goers, although putting in a plug for fashion designers as the "Gatsby" era moved into clothes circles. "The Sting" packed movie houses across the nation as Redford-Paul Newman made themselves a bundle. "American Graffiti," another nostalgic and popular flick, had audiences coming back for more.

Trends in fashion seem to change year after year. Jeans were still the American craze. Denims by Levi rose from \$11 to \$13 in a matter of months where at one time, jeans were considered slovenly and bought only by those who couldn't afford anything else. Around school, snuggees (sweatshirts that zip up the front and sport a hood) were popular.

Sensations in sports, changed almost as fast as fashion. Billie Jean King and Chris Evert, American tennis buffs, brought on a tennis mania, at least to the local area. Young and old alike took up the sport that increased the lines at the courts and gave people the exercise they needed to keep physically fit.

1973-
1974

Towards the end of Junior year as the weather became warmer, streaking across campus or down the main drag replaced the anti-war demonstrations on college campuses in the '60's as "the thing."

Athletically, the Valley League Title bore the inscription COMP for three sports: football, basketball, and baseball. The outcome of athletic teams left an insight to others that Comp would be the team to beat Senior year.

Not only was our country in a period of change and turmoil, but as Juniors, and soon to be Seniors, we had our share of frustration. S.A.T.'s, college plans, and careers were slowly bumping into our lives. Decisions had to be met soon, and though confusion seemed endless, Junior year provided a tiny ripple of hope.

Senior year . . . sentiment . . . encounter . . . new experiences . . . involvements . . . opening the door to the outside world . . . recognition . . . Was it only yesterday that we were looking up to the Class of '72?

The voices of teachers repeating, "when you're in college no one will ask if you did your homework" and "make the best of these four years" remain within us. A few of us may feel sorrow in leaving C.C.H.S. Others may be glad these four years have finally passed, but at least the year's events will provide us with memories that we shall never forget. Not only was this an educational year in school, but all over the world, people were learning and opening their minds to knowledge, living each day is an education.

President Nixon's resignation headed the year's events as he and his family bade a tearful good-bye to political life, while newspapermen termed the "national nightmare over." Reactions varied from relief to disappointment. Our new President, Gerald Ford speaking before the East Room audience at the White House following his inauguration, explained his position. "If you have not chosen me by secret ballot, neither have I gained office by secret promises . . . I am indebted to no man and only to one woman, my dear wife."

Betty Ford, wife of the President, was hit with her first crisis, breast cancer. A few weeks later, "Happy" Rockefeller, wife of Vice-President designate entered the hospital for the same reason. Doctors are becoming more and more anxious to find a cure for this deadly disease which is hitting closer to home every day.

Senator Edward Kennedy, taking past and present family crisis' into consideration, announced he would not run in '76. Friends and family breathed a sigh of relief, since he is the last surviving son of the Kennedy clan.

The abduction of Patricia Hearst still was suspiciously unexplainable. Miss Hearst was kidnapped by members of the Symbionese Liberation Army. Although their demands of millions of dollars of free food to be given to the poor were met, Miss Hearst was not returned and later, in a recorded message to her family, stated she had joined the S.L.A.

As election time approached the American people proved their mistrust in the Republican party by increasing the number of Democrats in Congress, in state houses, and in Governor mansions.

President Ford, in his first duties as President surprised the nation as he granted Richard Nixon a "free, full, and absolute pardon." Protests flew from all directions as citizens voiced their opinions against Ford's "act of contrition."

While Arkansas Congressman Wilbur Mills was seen carousing with the dancer "the Argentine Firecracker" Fanne Foxe, in Boston the city's south end was struck with racial tension mounting to brutality. "It was an old time Southern lynch mob with a Boston accent." The school desegregation plan, which required the bussing of about 18,000 pupils caused more anger and hostility than Mayor Kevin White could handle. Injuries were inflicted on many and so the city's Tactical Police Force was called in to guard the schools.

Evil Knevil created a sensation as he decided he would attempt to jump over the Snake River Canyon while riding a motorcycle. A crowd of 50,000 came to watch this feat but were disappointed to find that the daredevil's parachute had opened too quickly, cutting short his flight.

SENIOR YEAR

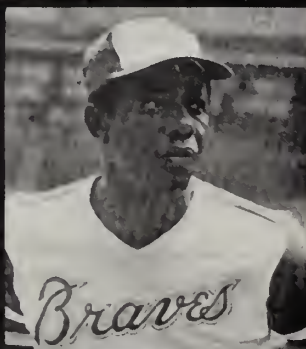

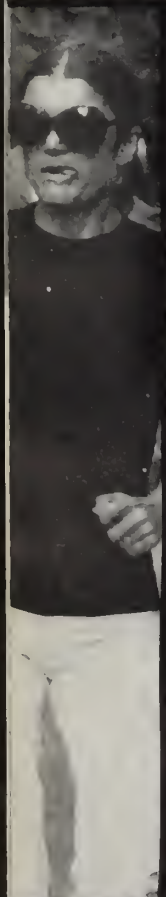

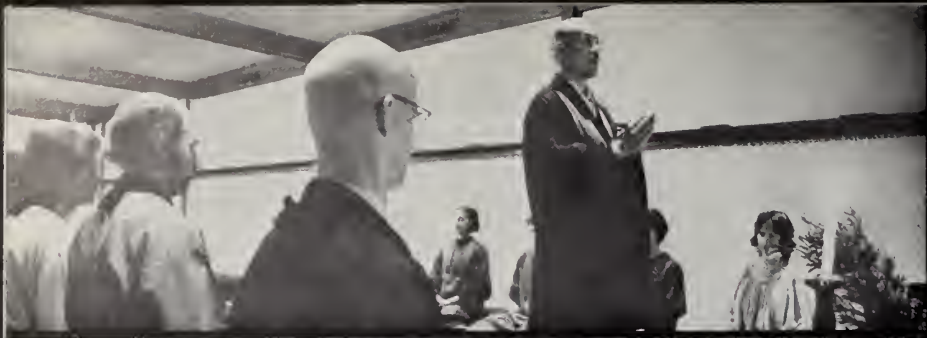

Once it was musical comedies, westerns, and love stories. Today it is disasters that draw the crowds as "Earthquake," "The Towering Inferno," and "Airport '75" are viewed by thousands across the nation.

While here at home Comprehensive draws admirers too. Our various sports teams and academic honors bring our school the recognition it deserves.

So, the day has come for us to go on our own, to take the many different paths available. Maybe, somewhere, sometime, in the least expected situation, our paths will meet but no matter where they may end, our roots can always be traced back to Chicopee Comp.

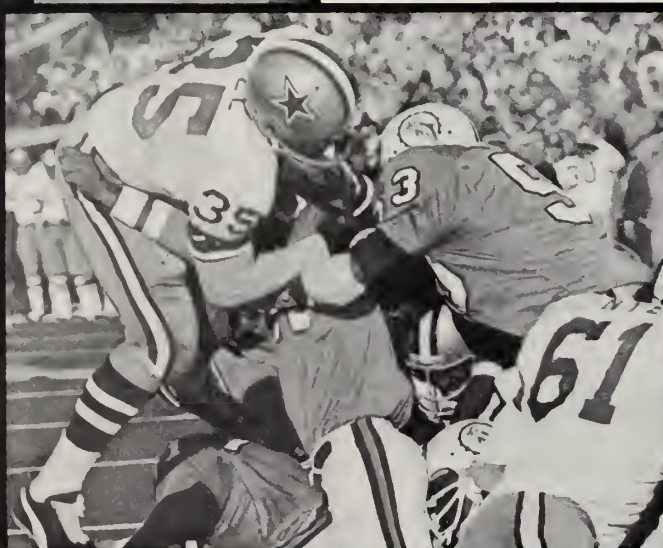

And so, as the final minutes remain, will you remember this year, or even this moment, tomorrow? The relationships . . . struggling for personal achievement . . . trivial encounters . . . experiences that left us with a budding air of maturity . . . will you remember 1975?

1974 -
1975

"There are places I remember, all my life, though some have changed, some forever not for better. Some have gone and some remain. All these places have their moments, with lovers and friends I still can recall, some are dead and some are living. In my life I loved them all."

Respect Athletes Loud Laughter Inspiring Enthusiasm Sports

Rallies are still the same at Comp. Besides honoring the achievements of the athletes, they also boost the morals of sport fanatics. In Nov. of 1966 the Springfield Union said "Chicopee Comp Enthusiasm Fantastic." Roy White, CCHS football coach in 1967 stated, "They've got terrific attitudes and really want to win." Those two lines express Chicopee Comprehensive High School as it was, as it is, and as it shall stay.

A year ago Comp instituted in its curriculum a new type of study-Cosmotology. Girls wishing to become hairdressers would for three hours a day be bussed to The Mansfield Beauty Academy.

While there, they would be taught the fundamentals of hairdressing. Upon their graduation the students can qualify for their state boards in Cosmotology. If they pass this test they may begin their career in hairdressing.

The year 1962 was a milestone when the city's second and most modern high school opened its doors for the first time. The decisions to differentiate it from its sister school Chicopee High posted many problems such as competition in the fields of sports and academics.

Schools are known by their colors and Comp was to be no different as a group of teachers and administrators joined with Mr. Koscore, Vice-Principal, and members of the Student Council to make a survey of area schools and their colors in an effort to make Comp unique in its color scheme. Several possibilities were considered and blue and gold rose victorious.

Ambition and drive ran high with this new school and many concepts of education. The Student Council was given the task of selecting the school emblem. After much deliberation and several suggestions, students were given the opportunity to cast their vote for the school insignia. Given a choice of three possibilities the "Colt," (youth and strength) stamped victoriously to the finish line.

"Gut" Course?

When the end of the school year rolls around, Comp students start thinking about the next year in terms of courses. They often look for easy classes with which to fill their requirements. They are searching for the elusive "gut" course. Rumor has it that Film Study is a "gut" course, but those who believe everything they hear are fooled.

The film study course is designed to introduce students to the many aspects of how and why films are made. This course does not require lengthy reading assignments or ten page term papers but students' are expected to plan, shoot, edit and show their own films;

Can I use the pass? This is a common phrase asked in many classes. What is the
PASS? The PASS, formally known as the corridor pass is a students three-minute
key to freedom. With it he may roam the halls for short designated period of time,
without it the inevitable session.

To the Class of 1975:

Congratulations on the completion of an important phase in your education. These first twelve years are "important" because they have provided you with the processes and tools for learning, but they are only a "phase." They mark the beginning of true education. Whether or not you choose to further your education formally, will not determine whether you continue to learn. Your lifetime responsibility, in a democracy, is to continue to learn, to grow to meet the challenges of a responsible citizen.

During the years since you entered school, we have grown technically . . . the first astronaut set foot on the moon. We have grown to be more knowledgeable, tolerant and understanding of human potentials and needs . . . we are more "free to be you and me." But, we have also faced serious crises.

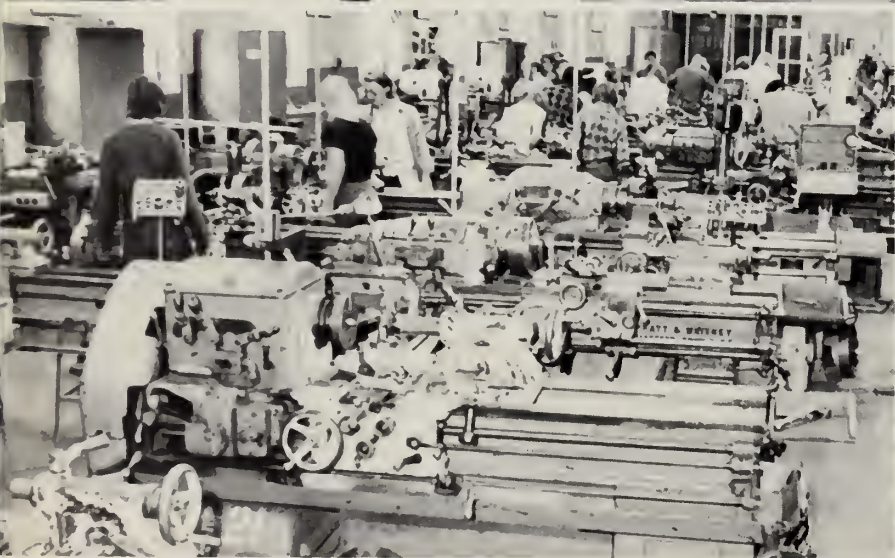

As leaders in shaping the advent of the third century of our country, may you rise to meet the sober yet exciting task of applying your past and continuing education to challenges of the future.

My best wishes to you for good health, happiness and success in all you do.

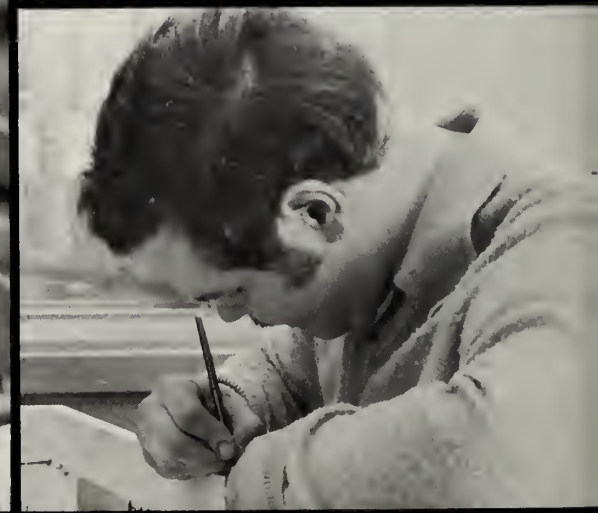

Sincerely yours,
John M. Luke
Superintendent of Schools

FACULTY

To the Members of the Class of 1975

It seems like only a short time ago, you entered grade nine at the Comprehensive High School Annex. Only a short four years have gone by and you have completed all requirements for a Comprehensive High School Diploma.

I have watched your class working diligently and with keen desire to succeed as an outstanding class graduating from Comprehensive High School. Without any question you have succeeded in producing a most excellent record, one which will be very difficult to surpass by future classes. Your achievements cover every area and include outstanding achievements academically, musically, athletically and in every other way. Your approach to solving of the usual problems facing all classes as they go through their four years at Comprehensive is certainly to be commended.

May I take this opportunity to congratulate each member of the class on a job well done and to wish you the best of health, wealth, and happiness for all the days of your life.

Your Principal,
Stanley J. Ziembra

ALL NEW ENGLAND: Sue Champagne, Nancy Sheehan, Nanette Dubin.

ALL STATE: Sue Champagne, Nancy Sheehan, Roger Carrier, Tom Greenwood, Gail Grycel, Nanette Dubin.

While creating spirit, pride, and enthusiasm for the school and its athletic teams, the Chicopee Comprehensive High School band has proven why it was chosen the Massachusetts Band of The Year.

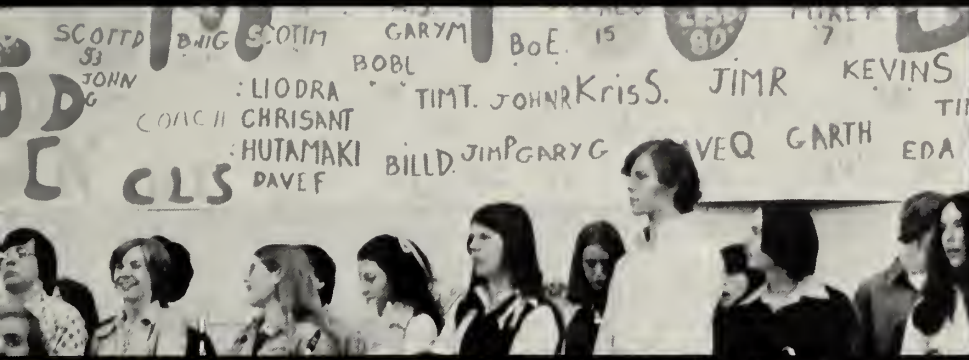

By defeating nine other high schools in stiff competition the marching colts emerged as the best band in Massachusetts and have been recognized by city and state governments as an outstanding organization.

Comp's musical assemblage, while reigning as state champs held its title by defeating all competitors in both the Fall Foliage Festival Parade and the Springfield Columbus Day Parade.

Massachusetts

B a n d O f T h e Y e a r

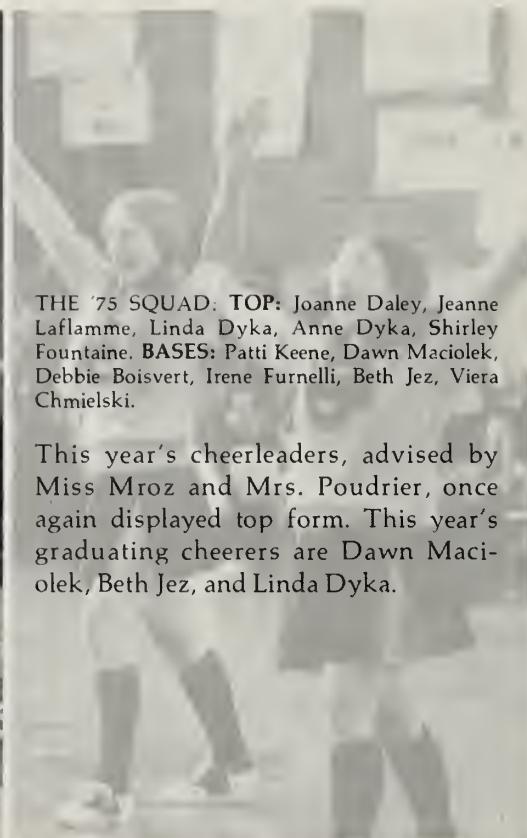

The number one band will represent Massachusetts in Allentown, Pennsylvania next year for the "Festival of Colonies" Bicentennial Celebration Parade.

In addition to having the finest marching unit in the state, Comp has a state-wide reputation for having an outstanding concert band. Consistently receiving superior ratings at concert festivals the Comp musical talents have presented concerts throughout the year that encompass a wide variety of styles.

Comp has every reason to be proud of its instrumental musical ensembles.

Cheerleaders

THE '75 SQUAD: TOP: Joanne Daley, Jeanne Laflamme, Linda Dyka, Anne Dyka, Shirley Fountaine. BASES: Patti Keene, Dawn Maciolek, Debbie Boisvert, Irene Furnelli, Beth Jez, Viera Chmielski.

This year's cheerleaders, advised by Miss Mroz and Mrs. Poudrier, once again displayed top form. This year's graduating cheerers are Dawn Maciolek, Beth Jez, and Linda Dyka.

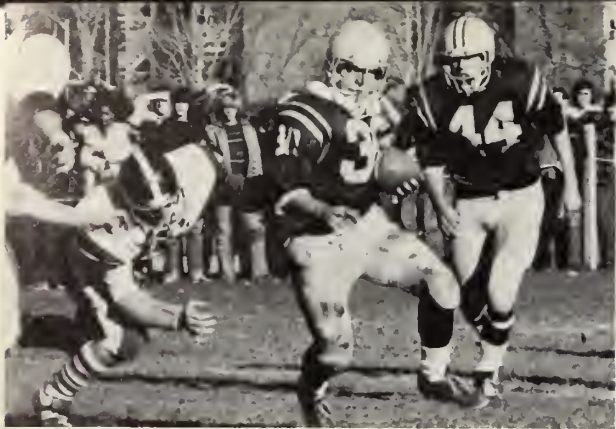

J.V.'s Laurie Berneche, Karen Jodoin, Karen Kryla, Cindy Berube, Dawn Shapley, Marie McKiverrgan, Darlene Laviegne, Michelle Archambault.

This year the Chicopee Comp Colts were faced with the challenge of defending an AA Conference title. We came ever so close. The season was finished with an 8 and 1 record bringing the colts 3 year, 18 game winning streak to an end. The team, spurred on by the seniors were in contention for another title up until the end, proving the motivation and unity of yet another colt team. In the end there was only Holyoke and Chicopee in our way. But the thrill of a victory over Holyoke soon crumbled as our cross-town rivals handed us a decisive defeat. It was a season of triumph and tragedy. It was a memorable season.

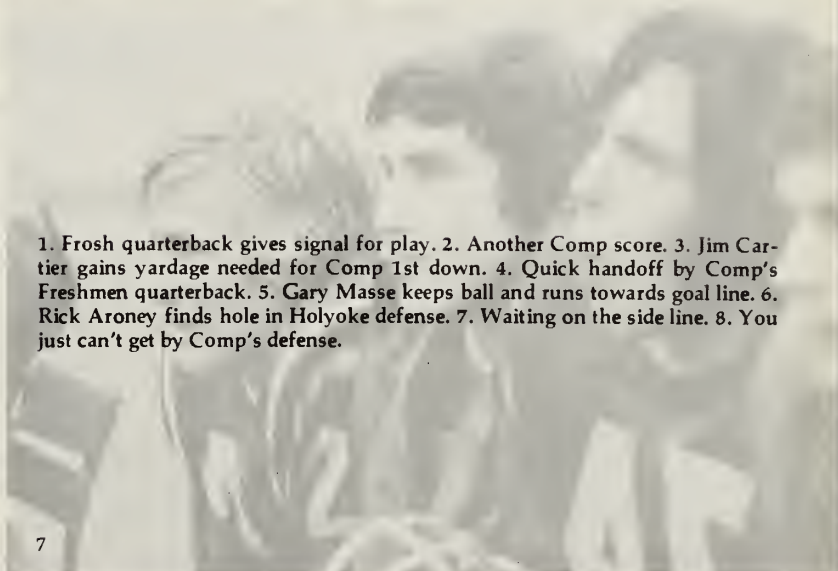

Grrrr . . . Football

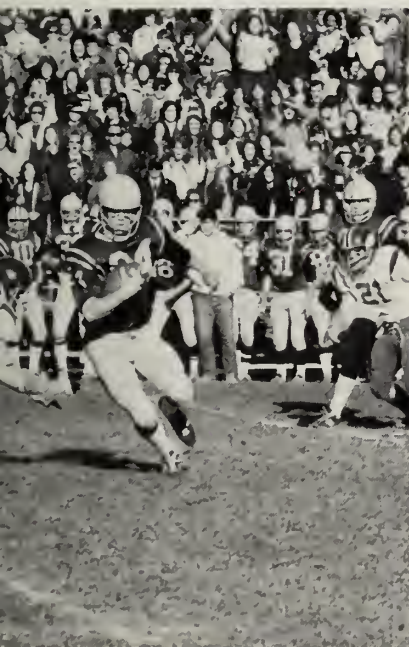

1. Defensive Linemen CHARGE! 2. 16 to 6. We Won! 3. Garth Desmaris Grimace. 4. And down came our quarterback. 5. Comp's number 15 Mike O'Connor brings down Holyoke's Wendell Willis. 6. Gene Kelly expresses anguish at the Comp-Chicopee Game. 7. Ball carrier Bill Dyette gains nothing. 8. I'm open!! 9. Jimmy Cartier proves his catching talent.

It was another winning season for the Comp soccer team, who under Coach William Davis, compiled a 9-5-1 record in the toughest league in Massachusetts. The Colts once again qualified for the Western Mass. Soccer Tournament only to lose the first game in the tourney to Marlborough, in double overtime by a score of 3 to 2.

The highlights of the season were winning the Rover Association Trophy by outscoring rival Chicopee High School 2 to 1 in two games played and by being able to beat Ludlow High School's soccer team not only once but twice, which a Comp soccer team has never done.

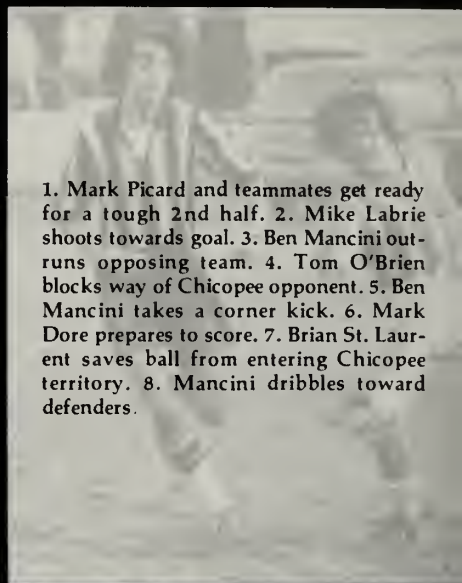

The team wishes to express its sincere thanks to Coach Davis not only for his dedicated leadership, but also for teaching us fair play, sportsmanship, and teamwork, which will help us in our future endeavors.

Field Hockey '74

Lack of experience plagued this year's Girl's Field Hockey Teams. Valient efforts of both the J.V. and Varsity teams proved fruitless against their stronger opponents. Although victory did not show on the scoreboards the girl's good sportsmanship and perseverance strengthened the team and hopes for next year are excellent. Special thanks to Coach Boidleau for her patience and advice.

The girl's varsity swim team kicked and splashed its way to a 4-11 season. Capt. Donna Gagnon proved to be the team's Number one Swimmer, providing strength and encouragement to her fellow mermaids. The many underclassmen returning next year should make next year's season an exciting one.

1. Karen Mercier splashes toward the finish line. 2. Comp mermaid takes the plunge. 3. Teammates wait for results. 4. Diversified styles signal the start of the race.

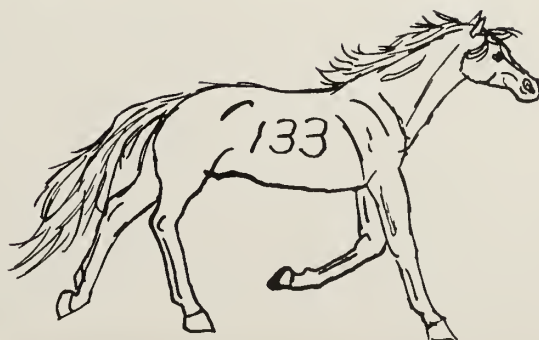

Cross Country '74

This year's Varsity Cross Country squad compiled the best record ever recorded at Chicopee Comp, ending the season with a 9-1 overall mark. Led by Capt. Dan Dillon, the Colts ran to stardom after they defeated unbeaten Cathedral 30 to 26. Comp was the first team to beat the Panthers in dual competition in seven years and 79 outings. The Comp Harriers only defeat came against the Valley League Champs Holyoke Catholic as the Colts did not perform up to par. In post-season action the Colts finished second in the Columbus Day International Meet, third in the Western Mass. Freshmen Meet, and fourth in the Western Mass. Varsity race. Special congratulations are extended to Dan Dillon, who set eight records this fall, ran undefeated all season, and captured the Mass. State Title.

The 1974-75 champion Colts finished the season with an outstanding 22-3 record. Favorites to win the Valley League Title from the start, the Colts suffered an early season independent loss to Commerce and then won 6 straight before being upset by Holyoke for the teams first league loss in more than 2 years.

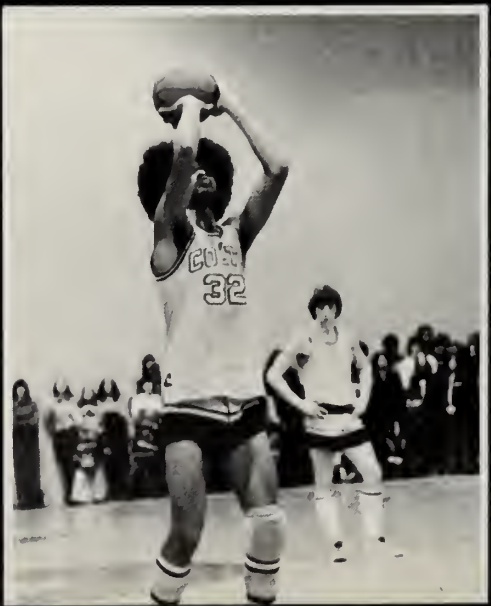

After winning the Valley League with a 13-1 record the Colts earned the top seed in the Western Mass. Tourney. They then defeated Pittsfield and Chicopee (for the third time this season) before being beaten by an extremely hot-shooting Classical team.

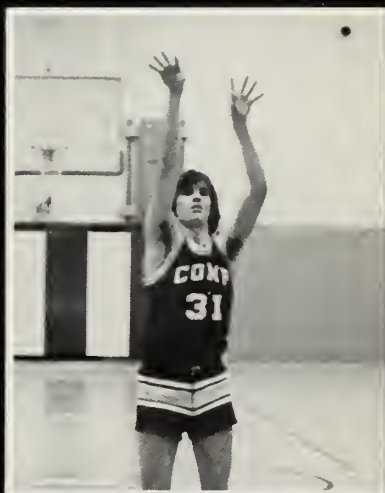

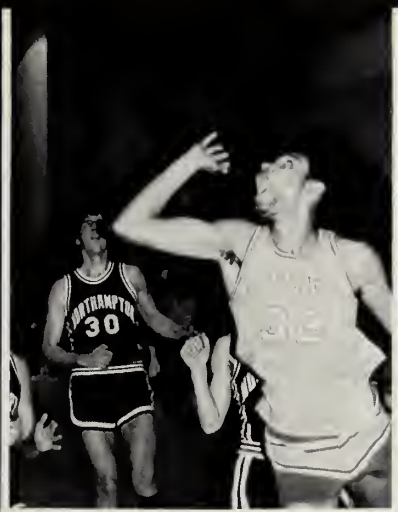

This year the Colts were led by Senior trio Pat Holmes, Gary Mase and Tom Miskiv. Tim Nelson and Larry Kurpaska added tough rebounding and Mike Labrie came off the bench to be a sixth starter. Other players to see action were Chuck Mielke, Frank Steffanelli, Rick Labonte, Jim Houle, Mark Hambley, and Tony Lachowitz.

The Girl's Varsity Basketball Team had the most successful season ever. The girls winded up the season with an 8-4 record and second place in the Valley League. For the first time the Colts qualified for the Western Mass. Tournament but bowed to a strong Westfield team.

The outlook for next year is quite positive with most of the team returning. This year's Freshmen contributed much talent and potential to the team, but lacked experience. In fact, high scorer was Freshmen center Gail Koziara. Next year the Juniors will have the task of upholding the team where the Seniors left off. The Seniors will leave behind their experience and support, wishing the best of luck to the team next year.

Paced By Tri-Captains, Senior Craig Goebel, and Juniors Jeff Sattler, and Tom Soar, the Comp mermen finished the season with 8 wins and 8 losses.

Post season meets proved successful for the Colts as they placed eighth and ninth respectively in the Western Mass. and State Meets.

In diving Freshman Larry Langlois placed eleventh in Western Mass competition and Junior Mark Pickard had a very impressive season placing third in Western Mass. and third in the Mass. State meet. Pickard also broke all diving records previously held at Comp while Tom Soar broke all school records in the backstroke and was named Most Valuable Player for the 1974-1975 season.

Ski '75

The winter of 74-75 was more than generous in providing beautiful snow for the Comp High Ski Team. Practices every Monday night at the Mt. Tom ski area were a bit chilly and sometimes difficult, but the ski team still remained enthusiastic and looked forward to our upcoming races. All in all we had a satisfying season on the slopes.

Hockey '75

VARSITY HOCKEY TEAM: FIRST ROW: Mgr. Kevin Sullivan, Mike Pare, Garth Desmarais, Ray Lincourt, Ken Picard, Dave Butova, Andy Hevey, Gene Douillard, Rick Hottin, Tom Renaud, Ken Demers, Mgr. Jim Didonato. **SECOND ROW:** Coach Bob Badone, Mgr. Ed Perrusse, Rick Pio, Rene Laterreur, Guy Mathieu, Real Aube, Mike Laterreur, Buddy Duval, Tim Tadeo, Phil Therrien, and Coach Roger Bowden.

The 1974-75 Varsity Hockey season proved to be the most successful in the school's history, as the squad compiled a league record of 15 wins, only 3 losses, and 2 ties; with an overall record of 17-4-3. The won-loss record does not tell the whole story; however, as the Colts, after eleven years of futility, finally grabbed the Fay Division Championship by a handy three game margin and then went on to win a spot in the finals of the Western Mass. Hockey Tournament.

Before bowing to a powerful Pittsfield team in the final game of the Tournament, the Colts won a rugged 3 to 0 decision over Putnam High. Next they rallied in "the most exciting game of the Tournament," as Comp's all time coring leader, Ken Demers, tallied the winning goal 38 seconds into overtime to defeat Wright Division Champion Ludlov in the Tournament semi-finals.

Many individual honors came to the Colts during this record season, including the placement of five players on the All Western Mass. Team. Captain Andy Hevey and high scoring center Real Aube were named to the League first team, while Aube's linemates Ken Demers and Rick Hottin joined goalie Gene Douillard on the second All-League Team. Andy Hevey was also honored with the Fay Division Sportsmanship Award, given to the player who best exemplified excellence of play along with good sportsmanship. All three All-League forwards found themselves in the top five scorers in the League at season's end, and their total of 171 scoring points in the regular season made them the most potent line in Western Mass.

The highlight of the season surely came on Feb. 18 at the Eastern States Coliseum, as the Colts met Westfield High with the Fay Division Crown at stake. Although Comp had not beaten the defending champs in three years, they were not to be denied this night; as Ken Demers scored two goals in the final three minutes to complete a 4 to 3 win and bring the Division Championship to Comprehensive.

Although sparked by their five All-Stars, the Comp squad was characterized by skill and experience. Seniors Garth Desmarais, Ken Picard, Tom Renaud, and Ray Lincourt shared the duty of playing wing for 25 point scorer Mike Pare, also a Senior. On defense Seniors Dave Butova and Rene Laterreur were outstanding along side Captain Andy Hevey and Sophomore sensation Guy Mathieu. Sophomores Tim Tadeo and Mike Laterreur joined Junior Rick Pio on the able "third line," while defensemen Phil Therrien and Buddy Duval along with goalie Miles da-Cunha offered depth to defensive unit.

Although the loss of eleven Seniors will be deeply felt next year, Coaches Bob Badona and Roger Bowden feel that the 1974-75 Hockey Team has established a winning tradition that will carry on for many years to come at Comprehensive High.

1ST ROW: Ellen Pray, Sue Cote, Mr. Boulais, Deb Berube, Carol Boissonault, Debbie Beaudin, Deb Walczak, Maryann Rowley, Mary Czajkowski, Michelle Archambault, Steve Cote, Karen Kryla, Pat Labonte, Sue Robbilar, Brenda Sapkowski, Chris Rand. **2ND ROW:** Mary Rabbit, John Koziol, Rosie Smith, Laurie Malikowski, Robin Carlos, Debbie Horton, Patti Zack, Kellie Begley, Karen Jodoin, Marcy Caldwell, Debbi Heroux, Laurie Wiendenroth, Mr. Kowalczyk, Greg Landry, Wendy Chauvin. **BACK ROW:** Debbie Tamburro, Paul Stokowski, Carol Sawka, Linda Breault, Diane Pare, Dolores Betourney, Noreen Hurley, Mike Lenart, Jim Fournier, Holly Schenk, Rick Kowal, Mike McKinnon, missing: Jeanne Tamburro.

Student Council 74-75 began the school year in September with a determination unlike that of any student government that Comp has ever seen.

Rivalry blew in the November winds as the traditional Comp-Chicopee High football game came to Szot Park. However, rivalry was soon overcome with tremendous school spirit as Student Council members organized a massive motorcade parade which entered the front gates of Szot Park with more than one hundred enthusiastic Comp students riding in more than twenty-five vehicles. The vehicles, which ranged from volkswagons to pick-up trucks were royally lead by Junior Donna Dubois riding upon her gallant steed Rebel. November also brought about the Council-sponsored elections of Class Football Princesses. Senior Queen Linda Duncan made a high school record by receiving the title of Class Football Princess for four straight years.

Outside of school activities, Student Council participated in many community drives. Under the direction of Junior Student Council member Diane Pare, Council sponsored many Downey Side fund raisers, such as a Downey Side home clean-up, bakesales, and a Memorial Day weekend car-wash. Sunshine Village and the March of Dimes were greatly aided by the participation of Comp's Student Council. The Chicopee Lodge of Elks saw its greatest year in the Christmas can food drive through the overwhelming efforts of all Comp students. Although Student Council was the backbone in preparation of this drive, much credit must be given to the Class of '75 for their tremendous achievements in outdoing all three other classes in both total cans and total dollar amounts collected.

February brought the donkeys as Student Council hosted a Buckeye Donkey Basketball game on February 13. The students, faculty, city government members and administration who made up the teams of riders, as well as all who watched the game enjoyed an evening which they will never forget while helping fatten up the Student Council Scholarship Fund.

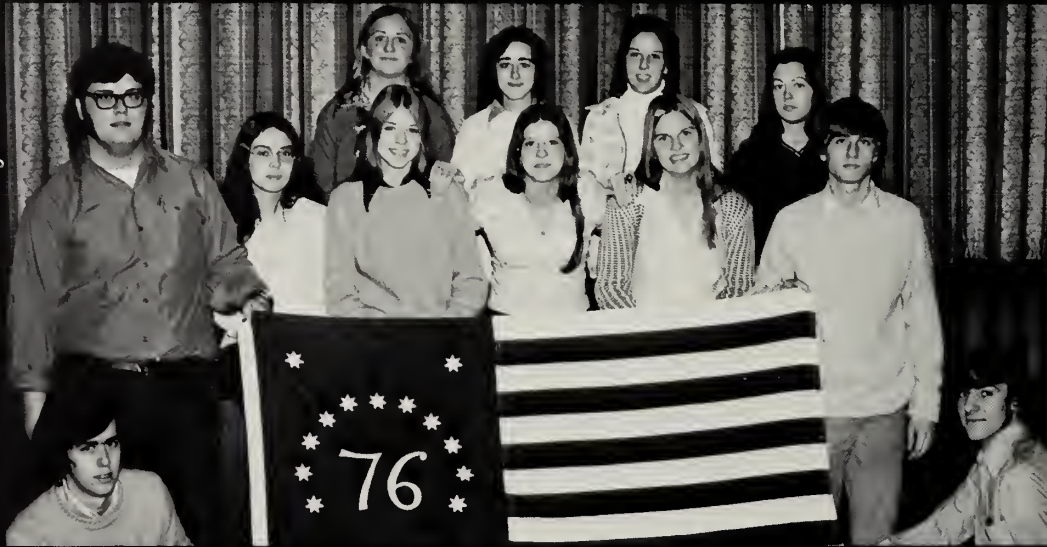

Any school's student body is only as effective as its Student Council. Advisors Mr. David Kowalczyk and Mr. Raymond Boulais, President Steve Cote and all members of the 1974-1975 Student Council proved to be a brilliant reflection of Comprehensive High School.

The Comp Chronicle staff has worked long
hours writing, typing, interviewing, cropping
photos, doing dummies, and laying out pages
in order to put out the award winning newspa-
per. With the able assistance of advisor, Mr.
Walter Stachura, the newspaper came out ap-
proximately once every three weeks with in-
teresting and sometimes humorous articles.
This year's paper carried a new feature, Sports
Jive, which covered various sport tidbits
from tiddley winks to mountain climbing.

This fall the Comp Chronicle received a first
class rating in the high school rating confer-
ence held in Chicago. The entire staff is very
proud of this high honor, and wishes to thank
all students and members of the faculty who
have helped the Chronicle this year.

Students Make Props

by Ed Purusse

Behind the scenes at the Senior
class play, "Barefoot In The
Park," found Mr. Begetta's
cabinet shop students con-
structing part of the set for the
play. Platforms, rails, stairs, and
other props were some of the
results of the efforts of the boys.

The students who participated
in this project were Stephen
Bourque, Henry Rider, Albert
Beaulieu, Martin Loftus, Joe
Obuchowski, Steve Rivard,
Dennis Benoit and Frank
Cassidy.

Construction of the set helped
produce an artistic success for
the play and gave needed ex-
perience to the participating
cabinet shop students.

A Thank-You

It's very hard to name all the people who have aided in this 12th volume of MEMINI, and to dedicate only one page to them seems grossly insufficient. They deserve much more.

— Thanks to DEBBIE ROUGEAU and KATHY HOULE, advertising editors, who began their fantastic efforts in May of '74 and were still going strong when the new year rolled around. '

— also —

LEONA COOK and DENISE HEROUX, subscription editors, who did a great job of organizing the committee, promoting MEMINI, and most importantly, selling the books.

— also —

SHARON PARENT and SUE ZALEWA for the unending hours that they dedicated to the Senior section and class history respectively.

— also —

MIKE LABRIE, RON CHAPDELAINE, GARY MASSE, BEN RIVIERA, DARLENE PIQUETTE, and KATHY HOULE who contributed immensely to their respective sport sections.

And then there's those extra special people who had to put up with the ever-changing moods of the co-editors for what must of seemed an eternity to them. They were all more than perfect, they were at times angels.

— DAN TATSCH, photography editor, and the other contributing photographers (JOHN VARTANIAN, JIM DIDONATO, CAROL SAWKA) who always seemed to be two places at one time and managed to pull through when the answer to "When do you want them?", was "Yesterday."

— DIANE KULIG, art and design editor, who did the artwork for the book. Her fine talents and perfectionist attitude will always be greatly appreciated.

— RHONDA PLOOF who did the colts that appear throughout the book. Thank you again.

— KATHY HOULE who was always there when we needed her and always gave her very honest and candid opinions of the book as it progressed. She was perhaps our biggest moral booster. For this and more we sincerely thank her.

Special thanks to the administration and members of the faculty who understood that during DEADLINE WEEK, the only time to sleep was during class.

— GRENIER DUCHARME STUDIOS, especially MR. LARRY GRENIER for the many hours and aggravations that they withstood for MEMINI '75.

— MR. DON LENDRY, American Yearbook representative.

— MR. RAYMOND BOULAIS, advisor, who has to be the world's most tolerant and faithful man.

OUR DEEPEST AFFECTION TO ALL OF YOU ...

THANKS AGAIN,
DEB and KELLIE
